

Herencia Antica

To produce Herencia Antica Reserva we have selected the finest Tempranillo grapes from our 150-hectare Estate. The wine that we obtain from these carefully handpicked grapes is aged in new American oak barrels for 12 months, finally maturing in bottle to integrate the wine's complex aroma and structure, which characterizes our Reserva wines.

*Produce & Bottled by Vina Herminia
Chiva - Valencia - Spain*

WINE ENTHUSIAST

Herencia Antica
Reserva Tempranillo

Rated
"85"

Simple and cheerful, with red-fruit and tobacco aromas. For some it could seem a bit tight and candied, yet despite it having a rubbery, tannic grip, something typical for the region, it has a good flavor profile and it's easy to drink.
