

Horny

A medium texture and a blend of fresh citric aromas and tropical fruit distinguish this fine Chardonnay; ripe flavors of flowers and pineapple backed that mix nicely through the finish.

With a deep red color, Horny is smooth and supple, integrating rich, dense cherry, smoke and vanilla flavors with a lingering, spicy fruit finish. This Merlot is well balanced and medium-bodied.

"You like the Horny, honey?"

"How did you know I would be in a Horny mood?" "Just lucky, I guess"
