

# United We Stand

*Is the endeavor of some ordinary Americans to acknowledge that in these troubled times we can accomplish anything we set our minds to. We are a great people and no threat can defeat us when we stand united.*

*This Chardonnay is a beautiful wine with perfectly ripe flavors of peaches, apples and tropical fruit. It feels long and rich in the mouth with plenty of American spirit. A wine to savor and enjoy.*

*Like our great country, this Merlot is right above the ordinary to achieve real distinction. It has aromas and flavors of blackberry cassis, plum and currant. It is soft and complex, with a finish that impresses with its flavor. The color is deep red and you add the white and blue.*
