

# Vina San Esteban

**Sauvignon Blanc:** This wine was produced with cold-macerated grapes fermented in stainless steel and bottled young in order to conserve their fresh citric and floral aromas. Hinting of grapefruit and peach, this wine is beautifully balanced with bright acidity and delicate body.

**Chardonnay Reserva:** Whole cluster pressing allows us to capture the fruity essence of a fine Chardonnay. This polished, oak-fermented wine is richly textured, mixing notes of apple and ripe pineapple, complemented by vanilla and toasted hazelnut aromas.

**Cabernet Sauvignon Reserva:** Aged in French Oak for ten months, this full-bodied Cabernet offers a complex mixture of berry, tobacco and black pepper aromas. Ripe tannins give this wine a long life.

**Merlot Reserva:** The sunny days and night breezes of the Aconcagua Valley help our Merlot to reach a perfect state of ripeness. This smooth, velvety textured wine pleasantly integrates notes of cherry, cedar and spices and lingers to a tasty fruity finish.

**Carmenera Reserva:** With a hint of French Oak, our round fruity Carmenera mingles dark fruit, pepper and forest scents with balanced, ripe tannins to create this impressive medium-bodied wine.

**President Select Cabernet Sauvignon:** An elegant wine, this Cabernet integrates a selection of the estate's finest grapes. Aged in French Oak for twelve months, this well-structured wine, echoing notes of coffee, mint and blackcurrant, has a long life.

## *Vina San Esteban Chardonnay Reserva*

This Chardonnay is cultivated along the riverbanks of the Aconcagua River in Chile. It is fermented in stainless steel and polished with a touch of French oak, giving this wine a rich texture, mixing notes of apple and ripe pineapple, complimented by vanilla and toasted hazelnut aromas. Pure and well balanced, this wine has flavors that linger on through the finish.
